

Refund Policy

In House, Recreational, Competitive & High School Teams – Requests for the refund of a registration fee must be submitted in writing to the SPSC Board and will be granted on case by case basis according to the following schedule:

- Prior to the close of registration: 100%
- After the teams have been assigned but before the first practice: 50%
- After the first game: No Refund
- Late fees and evaluation fees are non-refundable
- Exception to this policy for medical reasons may be requested in writing to the SPSC Board

Financial Aid and Payment Plans: SPSC believes that financial issues should not be the determining factor in whether or not a child can play soccer. Financial aid is available for the registration fee (see link below for the form and instructions). The uniform cost is the responsibility of the player. Please submit the attached application to the SPSC Treasurer. Any requests for payments plans should also be directed to the SPSC Registrar (registrar.spssc@gmail.com).

NSF Checks: A \$20 fee will be charged for any NSF checks returned to the club.
